

**21st December 2018**

**Message from our Head teacher**

During the autumn term, we have been focusing on a knowledge-based curriculum to support our children on their learning journey. The current curriculum in place is not only providing our children with a greater breadth of understanding but it is also developing confidence in the children. We are very proud of the children at David Livingstone as they continue to impress us on a daily basis.

I would like to thank all the staff at David Livingstone for their dedication and ongoing commitment both in and outside the classroom.

A **BIG** thank you must also go to all our parents and carers for all the support you have given us this term, we really appreciate it.

I would like to wish you and your families a good and relaxing Christmas break.

I look forward to seeing everyone again when school opens on Tuesday 8<sup>th</sup> January.

Merry Christmas

From Mr Ardé

## Attendance and Punctuality

Children only get one chance at school, and your child's chances of a successful future may be affected by not attending school every day on time. When children do not attend or are late, they:

- struggle to keep up with school work
- miss out on the social side of school life – especially at primary school.
- Poor attendance can affect children's ability to make and keep friendships, a vital part of growing up.

## Achievement award winners

Congratulations to all the children who collected an achievement award today!
