## Wellness Week

We have had another successful Wellness week where children have covered topics such as: People who help us; Hand washing and hygiene; Stranger danger and Keeping safe around the home and on the roads. Children participated in discussions, made posters and leaflets and used iPads to carry out their own research.

## Safe Parking

For the safety of all children coming in and out of the Academy, please can we remind all parents/carers not to park on the zig-zag lines or in front of the pedestrian gate to drop or collect your child(ren).

## Parent Coffee Morning

This week's coffee morning focused on setting goals.

Discussions were focused on the challenges with setting goals and how to plan and lay down the foundations towards completing our goals.

Please join us next Wednesday at 9am for our session on: children's mental health.

## R.E Week

During RE week our focus as an Academy has been Hinduism. Each year group has been studying different aspects:

- Reception has been looking at special places.
- Year 1 has been focusing on celebration in particular the festival of Raksha Bandhan.
- Year 2 have been looking at sacred texts.
- Year 3 and 4 have been looking at places of worship and worship within Hinduism.
- Year 5 have looked at lifestyle.
- Year 6 also have been looking at sacred texts.

We have all thoroughly enjoyed learning about Hinduism.
