## Parent Coffee Morning

This week's coffee morning focused on children's mental health.

As parents and carers we discussed how we play a very important role in our child's health. We discussed and suggested the steps needed to be healthy, inside and out.

## Art Week

For Art Week the children continued to use a range of skills that engaged, inspired and challenged them to create their own compositions, using paint.

Each year group focused on an artist. Examples of the outcomes have been beautifully exhibited around the Academy.

## Healthy Meals Promotion

The Healthy Meal Promotion has been a great success for children that have a school Lunch.

Each week, one lucky child from KS1 and KS2 will win a prize if they receive a lucky sticker underneath their plate.

Our lunches are healthy and nutritious and we encourage all parents and carers to support this promotion.

## Last Newsletter

Next week's Newsletter will be going home with your child(ren) on Thursday 14th February. This will be the last printed Newsletter. All future weekly Newsletters will be emailed to you via the Parentmail App. Please remember to always check the weekly Newsletter, as this will update you on everything the children are learning and any upcoming events at the Academy.

## Year 1 Class Assembly

On Wednesday, Year 1 presented their learning for this term in their class assembly. They shared their character description of Peter Rabbit, their knowledge of Beatrix Potter and different habitats.

Year 1 also showed the Academy their artwork, and all of the knowledge they had learnt about the artist Piet Mondrian.

Miss Forrester was extremely proud.
