## P.E Curriculum Map 2018/2019

### KS1

- Pupils should develop fundamental skills and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others.
- Pupils should be taught to master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination.
- Pupils will be taught how to participate in team games, developing simple tactics for attacking and defending.
- Pupils will gain basic understanding of team sports and the rules used within those games.
- Pupils will be assessed every half term.

### KS2

- Pupils should continue to apply and develop a broader range of skills.
- They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.
- Pupils should be taught to use running, jumping, throwing and catching in isolation and in combination.
- They should be able to play competitive games, modified where appropriate (football, hockey, basketball).
- They will be able to compare their performances with previous ones and demonstrate improvement to achieve their personal best.
- Pupils will develop flexibility, strength, technique, control and balance through athletics.
- Pupils will be assessed every half term.
