

# Knowledge Organiser

## Text: A Bear called Paddington

Dear parents/carers,

Attached is your child's knowledge organiser which is linked to the text they are currently covering in class.

At David Livingstone, we have started to use knowledge organisers to provide children and parents with key information that pupils will need to know, in order to fully understand their text.

Children will be quizzed regularly on these facts to ensure that they are committed to long- term memory.

We hope you find the knowledge organisers useful and supportive. Please spend time going over the information with your child at home to support them with their learning journey.

Please speak to your class teacher or a member of the senior leadership team if you have any further questions.

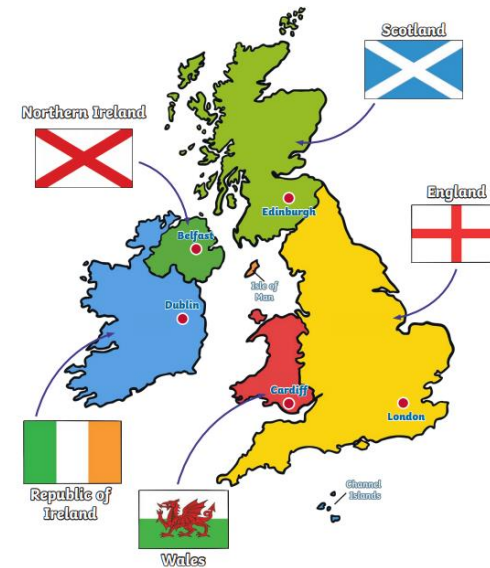

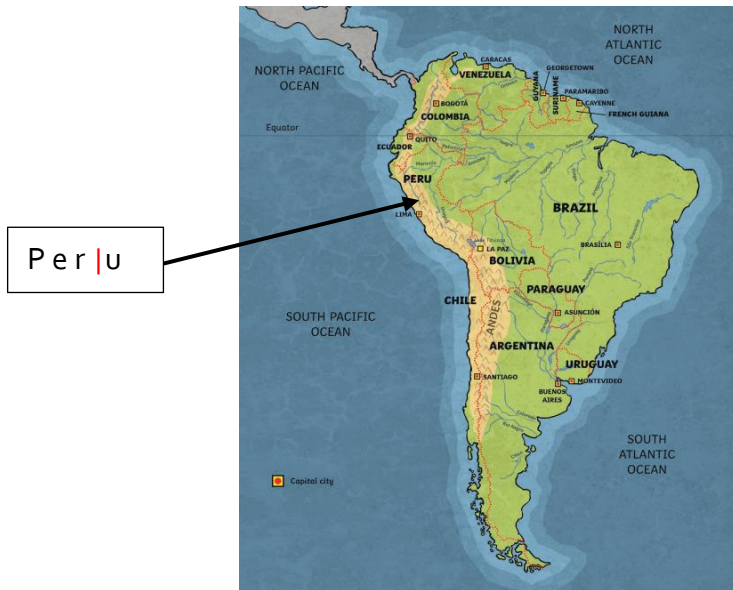

Many thanks  
Miss Mitchell
