Parent Coffee Morning

For this week's coffee morning, we invited our Speech and Language Therapist to discuss how this service works with our academy to support the needs of the children. In addition to this, we also discussed the language development pyramid and how the Academy and families can use this to support with identifying whether a child has a Speech and Language difficulty.

Please join us next week Wednesday from 9.00am—10:30am. Our subject for discussion is nutrition.

Art Week

For Art Week, the children continued to use a range of skills that engaged, inspired and challenged them to create their own compositions using paint. Each year group focused on an artist. Examples of the children's work has been beautifully exhibited around the academy.
